Independent Family Visit to Adventure Park

We are going to **Adventure Park** in the city of **Visalia, California**.

There are a lot of different things that I can to do there.

**Adventure Park is a
Certified Autism Center.**

It also recognizes the
**Hidden Disabilities
Sunflower Program.**

By utilizing the **Hidden Disabilities Sunflower Program**, you can discreetly let hotel, attraction and restaurant staff know that you or someone you are traveling with has a hidden disability.

Additional accommodations may include:

- Expedited hotel check-in or restaurant seating when possible
- Consideration for a specific seating request
- Quick checkout if the need to leave arises
- Allowing outside food or accommodating a special request for the individual on the spectrum
- Understanding that the person may be non-verbal, have difficulty sitting still and making eye contact

My family can ask a staff member if a **sensory backpack** is available for me.

If one is, I can use it while at Adventure Park and even take it home. It will include different sensory toys for me.

When we arrive at
Adventure Park we
will see a big **yellow**
building with a
green roof.

When we enter we will see lots of **arcade games**.

We can stay inside or walk past the arcade to the back doors that will take us outside.

Some areas of Adventure Park are loud and some are quiet. Some are crowded and some have fewer people.

Some are inside and some are outside. My family can ask a staff member which areas are best for me.

To play arcade games
I will need an

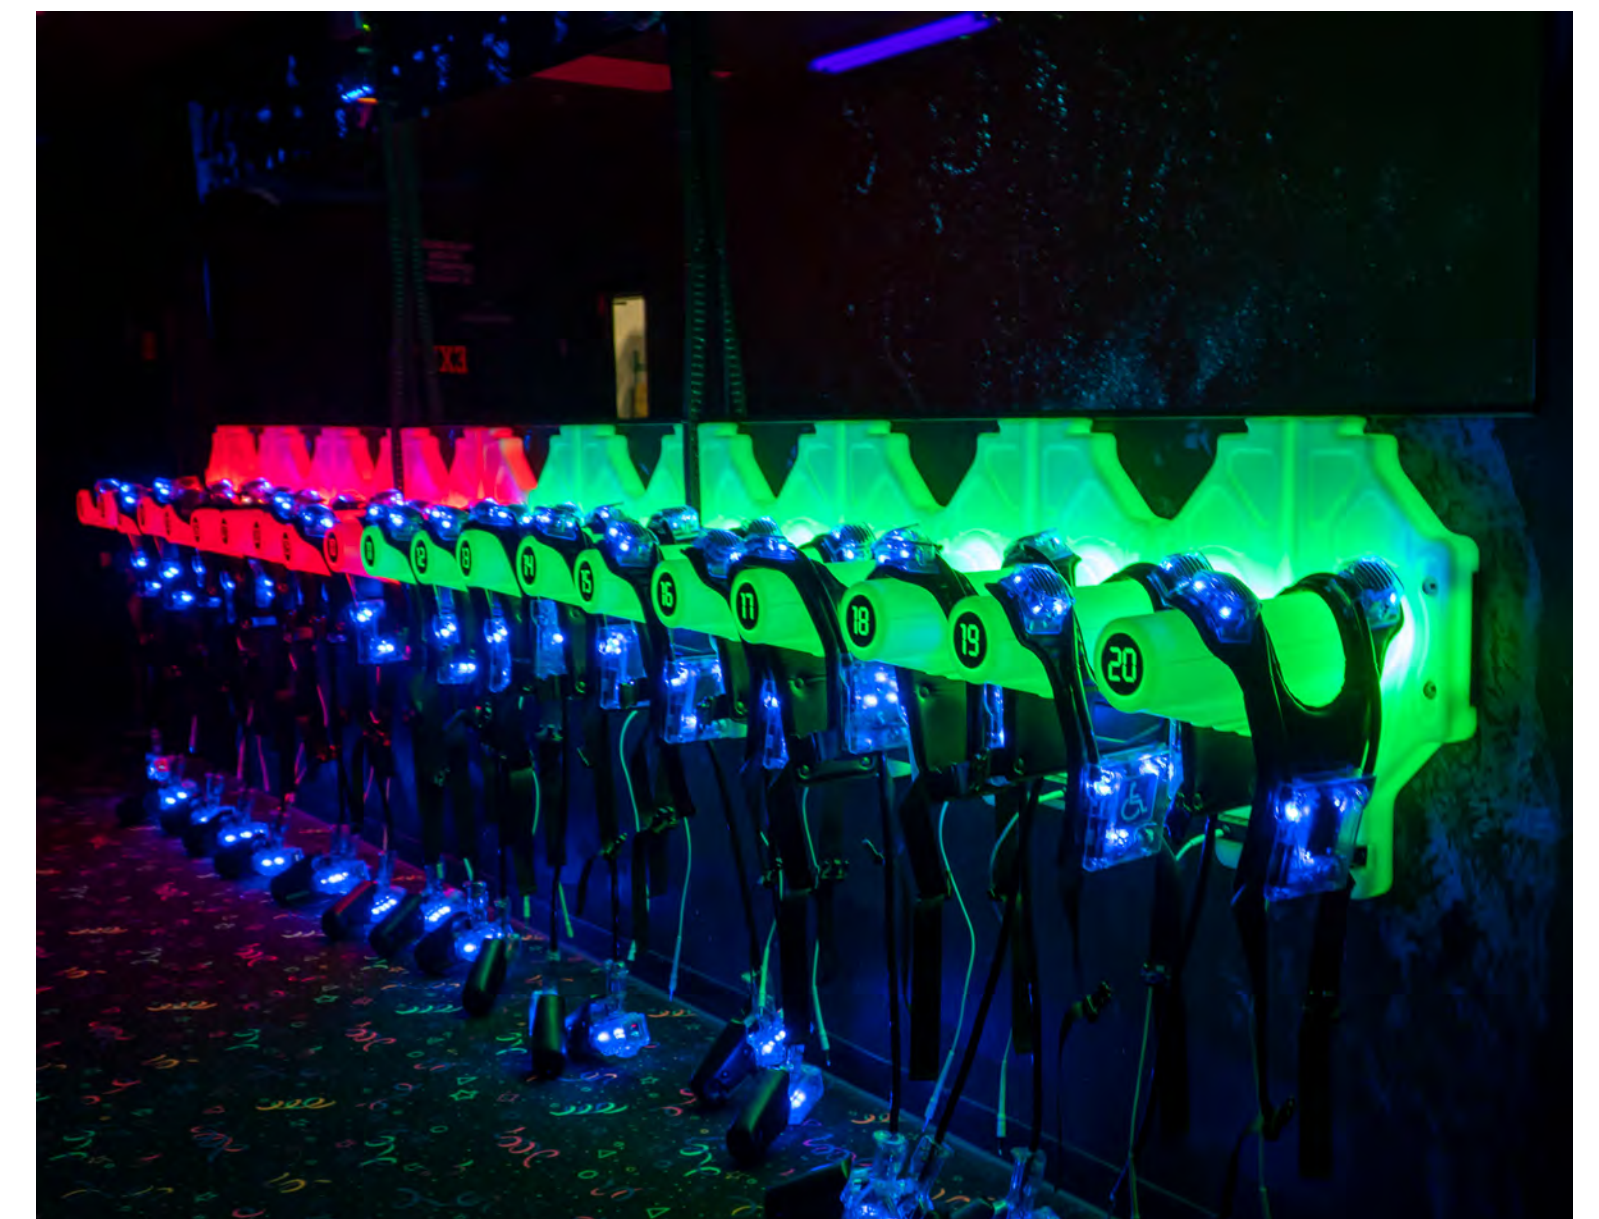

Adventure Card.

When I play games I will get
points added to my card.

I can redeem my points for
prizes at the prize counter.

Laser Tag and **Laser Maze** are indoor games.

Players have to be in a dark room to play. The lasers are colored lights.

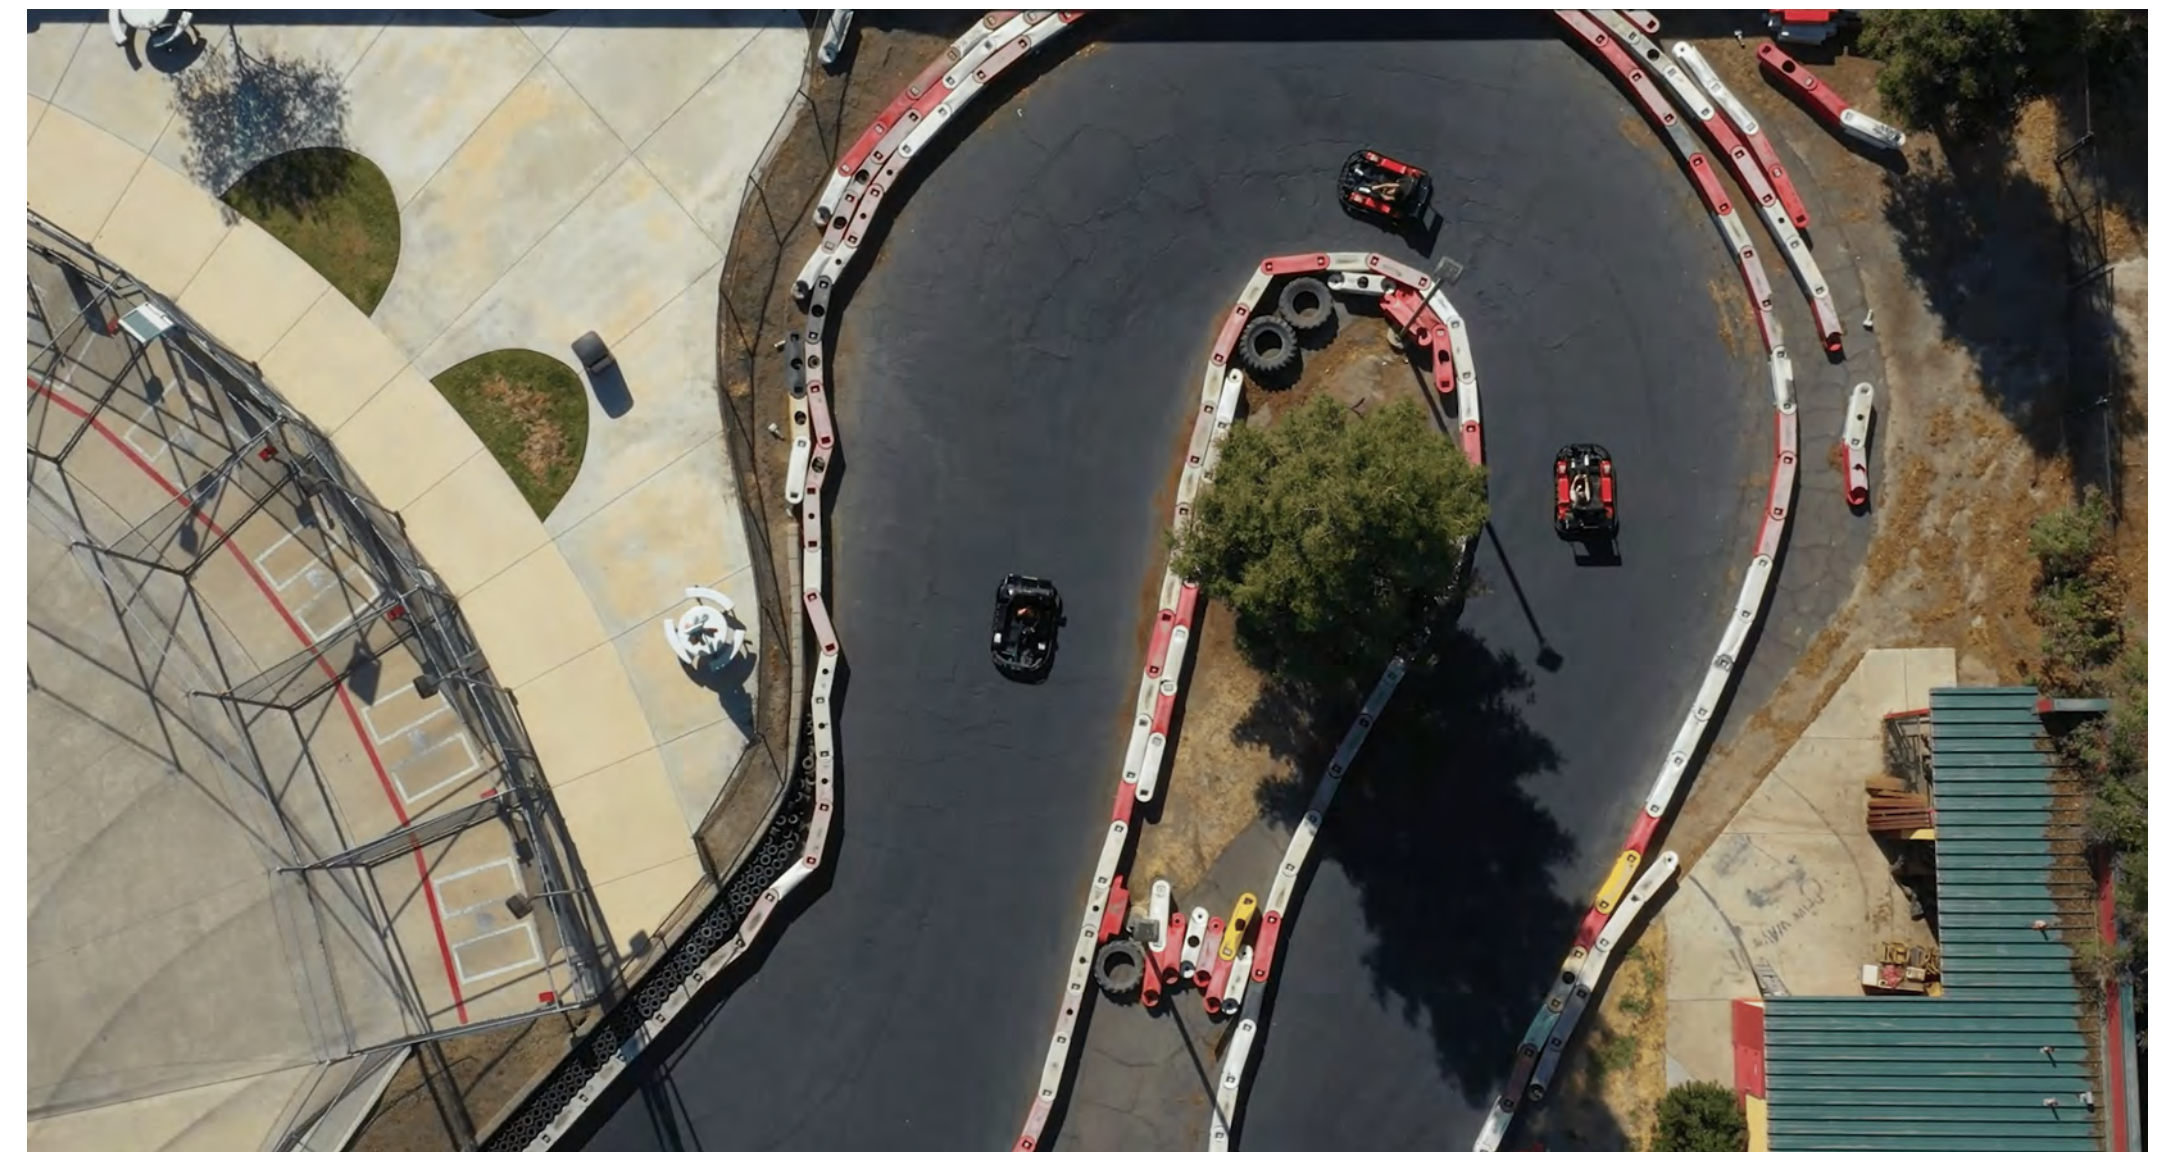

If I get hungry there
are a lot of yummy
foods I can choose
from at the **Kritters
Funhouse Pizzeria**.
We can sit down inside
to eat.

We can also get a quick bite to eat or a drink at the **Snack Bar**.

When we go through the back doors to go outside I will see a lot of different activities.

To ride in the **bumper boats**
I have to be over
40 inches tall. →

I will get wet if
other people
spray me with
their water gun.

To play **miniature golf**
we first need to get
our golf balls and golf
clubs.

We will begin at **Hole #1.**
There are 18 Holes total.

If I want to bat I will need to wear a helmet in the batting cage and remember to be careful.

To start the ball machine I just have to swipe my Adventure Card.

The **Go-Karts** are fun if I want to be a driver or a passenger. All Go-Karts drive on a racetrack.

If I want to drive I have to be **taller than 54 inches.**

I have to be **40 inches or taller to ride in the passenger seat** and the adult driving has to be older than 16.

If I'm too small for the Go-Karts, I can try driving the **Kritter Karts**. The Kritter Karts drive at a slow speed but are still fun!

Sequoia Springs is a water park that is only open in the summer. I will get wet so I should wear a swimsuit. There is a lot of splashing.

Adventure Park is so much fun!

I am ready to go!
